THE BRIDGE
TO FREEDOM

A Monthly Journal Devoted to Individual Unfoldment, Contact with The Great White Brotherhood and Cooperative World Service

Volume II MARCH, 1954 No. 12

To The Beloved Mother Mary:

We dedicate this issue of The Bridge to Freedom to You Blessed Mother Mary, in honor of Your Appointment as Co-sponsor for the year 1954.

As the New Cycle opens its doors to the inflowing substance, radiation, and instruction from Your Own Cosmic Heart, may the gentle readers so regulate the vibratory action of their own inner bodies and flesh garments that they may receive the fullness of the outpouring which is Yours to give. May they, through the sustained harmony of the vibratory action of their own energies, be at all times in a state of Spiritual Grace and natural conductors for those blessings, healings, and gifts which You may, from time to time, desire to direct to them and through them to mankind and all evolutions progressing to God Mastery in, through and around the planet earth.

May the Marian Year manifest the fullest Cosmic Christ accomplishment, not only at inner levels, but in the physical appearance world where it is so much required to kindle the Faith in God and the subsequent cooperation of the souls so convinced of His All Power in forwarding the Divine Will for all created beings . . . perfection, mastery, beauty, harmony, peace—individually and universally as well.

In gratitude for the privilege of serving with You,

I Am Your Editor,

The Homes and Retreats of The Masters of Wisdom

THE TIBETAN RETREAT OF THE MASTER HIMALAYA

March 15, 1954 through April 14, 1954

In the heart of the great Himalayan Mountains which lie like a cosmic crown on the brow of the world, there is set a Cosmic Lotus in the Personage of the great God, Himalaya, Manu of the Fourth Root Race, and Guardian of the wisdom of the Lemurian, Atlantean and Eastern cultures.

This great Personage has drawn through His Own Light Body and sustained the Cosmic Ray which anchors the Father Activity of the Universal First Cause upon the planet earth, even as His great Brother, the God Meru in South America sustains the Cosmic Ray which anchors the Mother Activity of God upon the planet. These two Cosmic Rays form the spiritual matrix directed by the Elohim from the heart of the Silent Watcher around which the substance and energy was drawn to create the physical planet itself. The Cosmic Ray guarded by Lord Himalaya has been the predominant spiritual activity governing the progress of the evolution of the race up to the year 1953, at which time the Cosmic Law directed the pressure of energy through the Feminine Ray guarded by the God Meru. Thus was transferred the magnetic pull from the East to the West. This will result in the attraction of the spiritually inclined egos toward Western incarnation and the gradual infusion of the spiritual interest and nature of the East into the Western consciousness and culture.

During the thirty day period dedicated to the Retreat of the Blue Lotus, in the heart of the Himalayan Range, the great Himalaya—teacher of Lord Buddha, Lord Maitreya and Beloved Kuthumi—will bless the pilgrims and visitors with the Cosmic Flame of His peace, wisdom, balance and love and will give the benediction of His centuries of momentum of God direction to those consciousnesses which open themselves to His instruction and counsel.

The Retreat of The Blue Lotus is located within one of the great mountains high in the Himalayan Range. To all outer appearances, the entrance to the Retreat is just a great bare, rocky mountain crest which, seen from afar, has the outline of the head of the Master Himself. Within this Retreat is the magnetic power of Divine Love which has drawn pilgrims from all over the world into the mountain fastnesses of Tibet in the search

for truth and illumination. In the face of almost unbelievable privations and personal hazards, the seekers after truth have braved the icy blasts, the almost bottomless chasms, the perils of wild animals and nomadic tribes of savage intent, to answer the call from the heart of the Blue Lotus. Some have been rewarded by being admitted into the Mystic Brotherhood and accepted as chelas by those Gurus Who Themselves had gained Their Mastery at the feet of the Lord of Wisdom and Who chose to show Their gratitude by taking to Themselves pupils in His Name.

When the pilgrim has earned the right to enter the Presence of the Great Himalaya, the paths which lead to the entrance to His Retreat are opened before his feet . . . and he is guided invisibly toward the foot of the great rocky promontory where the face of the rock suddenly glows with Celestial Radiance and takes on the form of an Open Ended Cross of White Fire, similar to the representation of the Holy Eucharist in the Christian Communion Service. As the eyes of the pilgrim become accustomed to the blazing light, the opening in the rock is apparent, and standing serenely in the doorway is the Personage of the God Himalaya. He is the embodiment of Eastern dignity and serenity. Like Sanat Kumara Himself, the wisdom of the ages is in His eyes, in the gentle courtliness of His bearing, and yet the impression of strength, youth and constancy fills the atmosphere around Him. As the pilgrim looks upon His Gracious Presence, from His Aura unfolds the Mystic Garden, profuse with tropical flowers, singing birds, and swiftly flowing sparkling rivulets that could not exist at such a high altitude except in the Magic Presence of this Being of Love.

As the pilgrim is invited by the inclination of His Head to enter the outer chambers of His Retreat, each one removes the shoes from off his feet in reverence and respect for the honor of being drawn into that Glorious Presence. Within the outer chamber is the beautiful lily pond upon whose tranquil bosom floats the Sacred Blue Lotus, symbol of the Blue Flame Lotus which is guarded in the Heart of the Retreat deep in the center of the mountain and which is the heart center of the Cosmic Ray spoken of above.

Each pilgrim is allowed one request while in the Presence of the God Himalaya and while contemplating the Blue Lotus, he knows that the magnetic power of pure Divine Love will activate his desire and bring to him the embodiment of that desire. Think carefully and deeply and pray well before making such request, for you deal with Cosmic Fire!

Blessings, children, as you begin the pilgrimage into the Heart of the Himalayas long My home and that of My Brothers. I shall be waiting you there!

EXCERPTS OF AN ADDRESS BY

BELOVED MARY, MOTHER OF JESUS

December 1953

Beloved children, knowing the priceless quality of life, having stood in the Free Realms and seen the heart of the Sun Itself generate and send forth the electronic light essence which forms the silver cord of every man, woman and child belonging to this evolution, We have a great respect for consecrated life which passes through the consciousness of the individual and receives the blessing of the voluntary energies of that one's own thought and feeling, going forth into the Universe carrying a greater blessing than that which came from the Heart of God in its primal essence.

You are the lifestreams who consecrate life, and who have created out of that consecrated life beautiful thought forms. Into each such form is woven the electronic pattern of your own particular lifestream. Into these forms are woven your songs, your colors, and your tones.

The Ladies of Heaven are tremendously interested in the expansion of the Healing Activity through unascended beings, because healing is primarily an activity of feeling. Healing is conveyed through harmonious feeling, and a feminine activity in the Ascended Master Octave always gives a pressure of feeling, of comfort to life, preceding the entrance of the actual healing elixir which performs the service.

As you are gathered here, We are endeavoring to build into this forcefield Our combined radiation. It is a beautiful electric blue, and it is extending out over your entire city. Through this forcefield the healing essence—which is Our gift to Life, Our momentum of service—may enter into the consciousness of men, women and children who are praying tonight, who are calling to God for assistance and who require healings of mind and of body.

Will you, therefore, join your energies with Ours in bringing to your mind's eye and consciousness the memory of those lifestreams whom you know can benefit by such healing currents. Will you feel the fullness of Our Love flow to them!

When you have served that purpose, will you feel then the impersonal healing currents flowing throughout the entire world, particularly to those lifestreams who know not how to pray, who have seemingly lost faith in God, who are in desperation of mind, soul and spirit, and who require the faith of some other unascended being to hold them within the Heart Flame of Our Presence until We can anchor the energy of Our worlds into theirs.

Beloved ones, those of you who love God, those of you who believe in the Hierarchy are blessed indeed, for there is a portion of your world that is always connected with Us. There is a part of your consciousness—a nook or corner some place—wherein is always tucked the memory of Our work, Our names, Our love; but there are many millions who have no belief, no trust, no hope for a life beyond the grave, and who live day after day the weary round of existence, hoping for the annihilation which, they believe, comes at so-called death. It is for these people that I implore you to pray, to make the call on their behalf, to keep the Spark within them alight until that hour when We may prove Ourselves, through you, to them.

You see, We have a double purpose—We are preparing you to be Ourselves manifest in form. We are preparing you to step down Our radiation, Our consciousness, Our qualities, and Our miracles of Perfection. We are trying to hold the masses until you are ready. The great mercy of Life is such that there will always be the advance guard who will be in contact with the Presence and the Person of the Masters, and then the advance guard in turn through the Representative of the Masters carry the instruction to the masses. This conserves Our energy, and it renders the service of mercy in tempering the Light and Fire of Our Beings to a point where it is comfortable for them to receive it.

There is so much in graded radiation which mankind, and even the blessed students, do not yet understand. For instance, around the Beloved Sun Itself stand the twelve Great Beings Who represent the Virtues, the Nature of God. They have been in the outer world represented as the Signs of the Zodiac, but in Their original perfect representations, They are Beings of tremendous power. It is Their great privilege and honor to soften the radiation and the glorious splendor of the Sun God and Goddess, so that even the Angels, the Cherubim and the Seraphim can receive that radiation into Their Beings without being overwhelmed by Its Presence.

Then the Cherubic and Seraphic Beings, the Archangels, in turn, soften the radiation of that splendor, and carry it from sphere to sphere, onward on its outward course to the periphery of the Universe. We, the Hierarchy that stand around Sanat Kumara, and represent the Guardians of mankind, again take into Our own bodies that blazing Light, and temper It according to Our own nature and offer It to the chelas who have become the most highly developed consciousnesses incarnate. These chelas throughout the world, in turn, embody Our Nature, embody Our Light, share Our Consciousness, Our Plans and Designs, and then carry them to those lower on the ladder of evolution. Do you see?

In this manner the great glory of the Godhead, the Divine ideas, the exquisite perfection of the Eternal, is gradually expanded

and Its Light, as It passes from sphere to sphere, is clothed in the atmosphere thereof, in the bodies of the Intelligences that dwell within it, and stepped down to a point where those in the sphere below may enjoy it without being overwhelmed by its presence.

The Beloved Gabriel spoke to you of the fear that is aroused in the atomic consciousness of mankind at the visitation of the Angelic Host, and that is, unfortunately, a fact. The tremendous concentrated power of the Archangels, the Ascended Masters, and those Beings Who have cosmic momentums of Light, shatters the emotional body of the unprepared. It also has a stirring effect on the slowly vibrating physical form. It would neither be kindness nor mercy for Us to inflict such a shock upon the mankind of earth without the preparation required. It is that preparation in which you have been engaged through the past years, and the reason for which these groups have been formulated at the present time, to prepare those who wish to meet Us in the Upper Chamber and eventually stand in the Master's Presence.

I, Myself, in My life's investment in Nazareth, know well the experience of dwelling with the living Presence of the Angelic Host. Before I took embodiment, beloved ones, I had studied in the Temples of Nature, and I had studied in the Temples with Beloved Raphael and Gabriel, and the other Members of the Angelic Host, and I had become a Master of sorts in the control of My energy.

When our Beloved Lord Maitreya, standing in the exquisite beauty of His Light Body, described to Us the Mission of the life-stream who was to come to the earth, and who was to draw through His flesh, His emotional, mental and etheric bodies, the Perfection of God as an example to mankind, We were all fired with the enthusiasm which is so much a part of the Inner Spheres. You, too, have experienced that enthusiasm. You, too, have risen as a man to volunteer to be a part of a great drama. You, too, have offered to submit to the bands of forgetfulness, and to take the bodies that the Lords of Karma would offer you and to pass through the veil of birth in the hope that you might fulfill a vision—seen so clearly on the Cosmic screen of life when you wore not the heavy, dense robes of flesh.

I was among those who volunteered. I was among those who stood forth and said, "Yes, I am willing to go to prepare a body for this Teacher. I am willing to hold the Divine, Immaculate Concept of His Godhood, whatever the conditions of earth I may face." Then the Beloved Lord Maitreya smiled. Who can describe to you the beauty of the smile of the Cosmic Christ, the light in those glorious violet eyes, the kindness and tenderness that is within them? He said, "Daughter, You know not what

You say! However, We shall give you opportunity to prove how well you can draw forth a Divine thought form and hold It here, before Us assembled." I stood before the Lords of Karma, before My Gracious Kwan Yin, and others including the Goddess of Liberty. Lord Maitreya projected into My mind, in Their Presence, a miniature figure of Helios, and I held that Image in My mind—the Immaculate Concept of the Father. Then as I stood the winds blew—the winds that were generated out of the Consciousness of the Initiator, which endeavored to disintegrate that form. The Spiritual rains came and the hail, and My consciousness was almost shattered by the impact of that force. It took all of the energies of My Light and all the strength of My concentration to hold that tiny Image, no larger than My finger. I prayed with all the intensity of My Being to the Flame within My Heart, *to let no force within Me or without Me* destroy that Image. I stood thus three hours—three long hours. . . .

The Mighty Hercules directed His Blue Flame and Ray. All of the Elohim became the power of My testing. At the end of that time, Lord Maitreya said, "It is enough. She has earned the opportunity." I kneeled before Him. He placed His hand on My head and said, "Mary, Child of God, You have done well; but the winds you have felt and the power that has been released, are *nothing* to the creations of the mankind whom You go to serve. May the God that beats Your heart sustain you, and Our Love enfold You and keep You safe."

Then it was that I asked a boon of Life, that Gabriel might bring to My remembrance the Vision when, after taking earth life, I would be called upon for My great initiation. I remember yet His white robed figure, His strength and love and power, and He said, "I promise." I remember the love in Jesus' eyes, the tenderness in His sweet countenance. I remember the love of Joseph, before any of Us left the Inner realms for that earth life.

Then We were taken to Our temples and there abode until the Cosmic moment in the stars signified that Our physical birth was at hand, that We were to be called upon the screen of Life, that Our place in the great drama was ready to be filled, and that We were to walk forth. I remember thinking deeply on the figure of Helios and on the Electronic Presence of Jesus. It was the last thought I held as the Angels of Incarnation wrapped My Spirit round and I slipped into the black abyss, awaking in the arms of My mother.

I remember those early years, I was scarcely three years of age, when Ann and Joachim took Me to the temple. I remember looking at the great height of those pillars. I remember feeling that "aloneness" as I saw My parents walk down the steps and out through the gates, and I found Myself a small soul in a great world.

I tell you these things because I have lived as you. I have prayed. I have known the buffetings of human thought and feeling. I have known the wonderings and uncertainties that rise unbidden from the soul. I have questioned within Myself, in those early years in the temple, whether that strange Vision in the back of My mind, was imagining or whether it was fact. Remember, I was raised by Rabbis and by women strictly orthodox, who had no use for visionary girls and fantasy, who were engaged in preparing the women to become the mothers of the race. I learned in those early years to keep My own counsel. I learned when I saw the Angel faces and heard the sweet voices of those lovely ones, to ponder them in My Heart.

Then came the time when the Temple would no longer hold Me, when I was to go forth, and all of Heaven with bated breath awaited My initiation. Ah! I remember that day, when Gabriel with all His love and light stood there by My side, and oh! how eagerly I grasped the flash of Flame from His glorious Consciousness, within which again was revivified to Me that Divine Image, both of Helios and Jesus. As a drowning man grasps at a straw, did I grasp at that Vision. "OH, GOD," in My heart I thought, "IT IS TRUE!" From that moment, though the winds blew, though bigotry and hate and impurity were driven against Me, I knew . . . I held that Concept, and later I held My Son within My arms—a beautiful Child!

Excuse My enthusiasm, but even as I talk to you My Heart is so filled with Love for the privilege of that experience. I remember well the coming of the Beloved Morya, Kuthumi and Djwal Kul (the three Wise Men). I remember well recognizing Them instantly as Friends from Home. The gold They brought, Joseph and I used in the long journey into Egypt. It helped Us through those years of exile. The frankincense and myrrh I saved for a sadder mission in Joseph's garden. All those days are gone. . . . All that I have in remembrance is the strength that I drew in holding a Concept, which was externalized as a Being Who showed Mastery and God Divinity to all men.

I saw Him grow mature and wax strong. I saw the first day that He, too, had a Visitation and the Christ Consciousness was awakened in His Mind. I saw the light within His eyes, and I knew then that no longer would Joseph and I have to hold that Concept alone, that He too now, would incorporate It in the Blessed Trinity of Action and externalize It. I remember well when He had attained His Maturity, and He would come home with friends of His Heart's choosing. Our quarters were small and humble, for We lived a simple life. Almost every day He would have a new disciple or friend. "These are of My Father" He would say, and smile, and I would be a Mother again. Yet

that experience was marvelous, for it has enabled Me through all the ages to love mankind, to understand each one—all the many various types and kinds of people within whom beats the Living Heart of God.

On a hilltop one day I was given into the keeping of John, and John was given to Me. The white lips of One I loved more than life, reminded Me in those last hours that all the world were My children, and I have never forgotten that admonition.

I remember a happier day, on a similar hillside (Bethany), when the Resurrected Body of that same Beloved One achieved the Glory of the Ascension, and for a time We said "goodbye." I remember walking down the hill with John and the other disciples, and We counselled together as to how best to give Comfort to those who had been His followers. We lived many years then, endeavoring to build into our lives the teachings that He gave us, endeavoring to share His Nature, until I, too, was called and freed forever from wheel of birth and death, and John joined Us soon.

From this Realm now We come again to help you who want it, to receive the Immaculate Concept of your own Perfection! It seems so difficult to you, and yet, it is not. You are told, and have been, that you are made in the Image and Likeness of God, Himself. Looking at you I see that Image, and it is BEAUTIFUL in the extreme. All you have to do is accept It, and then hold to It with all the strength and vitality of your being. I will help you, for you do not have to hold it against the forces which I was called upon to do. Then as that Concept of your Divine Image takes hold in your feelings you will know It is a lie to experience age, disintegration, disease or death. It has no place in the Universe of your Father, or in you—His honored son or daughter—and you will, as I did, bring forth that Perfection and fulfill your mission in honor. It is for this that I have inaugurated the Sons and Daughters of Mary; It is for this that I have asked those of you who choose to incorporate your individual energies with Me, with Jesus, and with Gabriel particularly, in drawing forth daily a remembrance of your Divine Origin.

Now, you say, "Yes. But there is a feeling of the appearance of age, and various things. "Won't you PLEASE endeavor, daily, to just take those concepts out of your mind, just as you would take off outer garments that have become soiled and distressed, making a RITUAL of accepting yourself with all the faculties of your God Nature, your sight, your hearing, your beauty of form, your inexhaustible strength and energy, and then the God power and mastery of the Sacred Fire to set your fellowman free! That is the Immaculate Concept, and as you hold that within your-

MAHA CHOHAN

Helios and Vesta, the Beings of the Sun, through the natural process of living, radiate electronic Light from the Heart Center of Their Beings through *all* the seven spheres. In each twenty-four-hour period, They emphasize the gifts and powers of one sphere particularly through the Great Elohim, Archangels and Chohans who represent that Sphere and Ray.

This accounts for the fact that individuals are more vitalized on the day when Their Ray is accentuated, because all of the faculties, powers and capacities of the lifestream are used as faucets by which their Ray is externalized in that twenty-four-hour period.

Individuals who are not members of the Ray which is active in the twenty-four-hour period can also magnetize those currents through themselves by *wearing the color of that Ray* during this period if they choose to do so. (Editor's note—For daily color see "The Seventh Ray.")

EL MORYA

The Light is there—buried in the hearts of the people! It is the service of the Workers in the Vineyard to breathe upon the smouldering embers within which lies the Flame and The Light of God that Never Fails—Through every lifestream THAT LIGHT SHALL BLAZE, which is the Answer to the Cosmic Law's demand.

Herein is Our Hope—for who can draw water from a stone, or blood from a turnip! How could any man draw the Light of the World forth from the evolving life, unless within that life was the potent Fire of Creation whose natural radiation is *Light!* It is not enough in this final hour to be Light Bearers—each one must become a CONTAGIOUS SPIRITUAL FIRE BRAND —whose Presence IMMEDIATELY catches up the sleeping spirit of every man and, through association, makes that Spirit arise, throw off the shadows that have dimmed the radiation of Its Natural Estate, and BECOME ALSO A CONTRIBUTION TO THE LIGHT OF THE WORLD!

KUTHUMI

Whence comes the human mind? Are the human mind and the human brain synonymous? No!

First: the channels or rays that proceed from the brain represent the senses, viz., sight, hearing, smell, taste, touch, intuition and the Divine Ray of God from the heart that chooses to pour through these senses more and more of God's Divine Plan; the senses being the instruments of creation. However, through distortion and inversion of the Law, the senses began to draw into the brain structure the various reports of the world without. They in time became the magnetic pull of the imperfect manifestations from the outside world, until the central point where the senses focus in the physical brain became a conglomerate mass of impressions reported to the brain by these faulty senses, and *this conglomerate mass became the human carnal mind.*

This mind has no reality—it is not true, but yet it forms the beliefs, concepts and motivating power behind the acts, the thoughts and feelings of the people.

The human mind is not synonymous with the brain—which is a physical structure made up of atoms and cells, *but it is a mass of thought and feeling consciousness* drawn *into* the brain, which then works back through the senses in the outward motion, as the controlling power of the lifestream's experience.

PAUL—THE VENETIAN MASTER

HARMONY is essential to restoration of balance in the vehicles of mankind. Sleep at night and so-called death have been the only means by which the atoms that make up the vehicles of the race were given respite from the bombardments of thought and feeling of the conscious mind. The body elemental, the Builders of Form, and the Holy Christ Self required this assistance to sustain any semblance of balance through the envelopes provided for man's expression on earth. To receive that repolarization and purification while fully conscious in the waking state is the joyous experience awaiting mankind in the near future when We secure the cooperation of qualified musicians who can ascend into Our Octave and draw forth that prepared music which will repolarize the atoms, not only of the flesh body, but of the emotional, mental and etheric bodies as well. Music Temples will be provided and the individuals who so desire may bathe in that radiation and find healing, peace, purification and balance. Already the melodies that can give this assistance are prepared and they will be given to those lifestreams who qualify to receive them and who can guard them by their own momentums of purity and loving wisdom at all times.

HILARION

For man to struggle to *acquire* the power of precipitation is a travesty, for there is no moment, waking or sleeping, day or night when even the most ignorant and ungoverned human being is not

precipitating. The forces of the four elements precipitate and even the animal kingdom send forth a radiation.

Therefore, the fundamental principle to be learned is not HOW to precipitate, but WHAT to precipitate and how to CONTROL that which is precipitated.

Now, Precipitation is not a Power that has not been conferred—it is a power that is in *constant use,* but *ungoverned* except by the Higher Mind and it is the Divine Plan that all men shall bring forth Perfection through the conscious controlled use of this faculty.

SERAPIS BEY

The octave in which each being has his "natural" conscious expression is earned as the consciousness develops, matures and expands, until finally the Ascended Master Consciousness engulfs the "separate" self and the individual becomes an Ascended Being. The happiness of this experience cannot be described in words, but in accepting the Ascension, the Individual Intelligence—rising into a Higher Sphere—forfeits His contact with the sphere below Him, except through whatever voluntary channel He can sensitize and which offers consciously or unconsciously (through radiation) to expand His particular God Project in that lower sphere.

Everywhere a sensitive and harmonious lifestream can be found, the Masters endeavor to expand the radiation of the God life and, if possible, impress the God Ideas of the Higher Spheres through the consciousness to bless mankind. This is the "unconscious" conductor. In a much wider degree, we have the "conscious" chela who is not only a conscious conductor of radiation but also an intelligent co-worker with the Masters or Angels in developing and maturing Their individual God Gifts in the sphere in which the chela dwells.

JESUS

Individuals from time to time are of the opinion that there is no need for a Mediator or Bridge to connect the God Self with the outer intellect. These people are honestly and firmly convinced that as the Presence is connected through the Holy Christ Self with the heart of every lifestream, an outside means of communication and spiritual guidance is unnecessary.

To these people I say—having been a Mediator Myself and having served the Hierarchy to carry the Word of God to the masses—the purpose of a Mediator is to convey the Truth from the Heart of God to the outer minds of individuals who have *lost*

their personal and direct contact with their own Divinity. When this purpose has been accomplished no mediation or transmission of consciousness is required, but until this point is reached, the outer minds of men, unable to rise to the inspiration of their own Higher Selves, are benighted, and through the Mercy of God are given enlightenment by those who have attained a degree of evolution wherein they may climb the Mount of Attainment, assimilate the Truth and carry the knowledge of that Truth back to the pilgrims on the Path. The *wise* pilgrims will avail themselves of the Cup thus offered and in so doing *their* climb up the Mount of Attainment will be less arduous.

SAINT GERMAIN

Ah, looking at your planet with the Inner Eye, and seeing the smouldering sparks of Divinity, shrouded round with the shadows of human thinking and feeling, I so long to breathe upon those sparks until they rise, Master, and emit their natural light!

Too long has the glorious Light which is mankind's own heritage slumbered, while the Light of other worlds and other Beings sustained the planet's place in our Solar System. If there were *no* light within the world, that would be one thing—but a planet alive with potential fire, sleeping on for millions of years, resting on another's light is an outrage before the Cosmic Law, and it is but Mercy Divine that long since has the Patience of The One not been exhausted with our recalcitrant race.

Enough! We who have chosen to accept the responsibility for the sustenance of earth's place in the System SHALL, through Love, draw forth that Light from the hearts of men . . . . and to do this We must reach their consciousness and interest their energies in cooperative service. This is the opportunity of the Hour!

THE HEALING CHALICE

March 1954

O! beloved children in the world of form! In this Cosmic Hour of Christ Realization, open wide the portals of thy hearts! Receive unto thyselves through the Divine offices of My Sweet Mary, the Mother of the Beloved Jesus, Who so magnificently manifested the truth and reality of the Christ Consciousness in all Its supremacy, beauty and perfection in action through the human form, the Vision of thy God's own Plan for thee. Long have I, Thy Father-Mother perceived thee in the fullness of the perfect sons and daughters of the Christ which "I AM". Looking

hides from thee the full realization of My Presence within thee and from the knowledge that thou art ever dwelling in thy Father's Kingdom and in His loving care.

The pure soul of the Divine Mary entered into her physical form, carrying with Her, into conscious life extreme sensitivity to the heavenly realm and thus was privileged to re-create the Image of perfection, the divine concept of the Christ Beauty, not only for Herself but for the Mighty Jesus for whom She was the protector and progenitor. I, Thy Father-Mother God, now beseech you, children of my heart, hearken unto Her gentle offer and accept unto thine own sweet consciousness, Her realization and Her acceptance of Christ perfection indwelling within thine own being. Therein is health and wealth and beauty and all perfect manifestations of the God Plan of thine own immortality. In Her dear name, accept it now for thine own selves and stand forth in the joyous freedom of that complete acknowledgement. "I AM" that Immaculate Concept of thy true identity. "I AM" thy reality.

Within the electronic substance of the Fire Breath which bears thee life, exists My Divine Conception of life for you. Within the substance of Light which beats your precious heart, flows the Divine Concept of My Perfection for you, each blessed one. Each breath and pulsebeat is a flood tide of My Perfection surging forth through each one of you. Permit the loving Heart of Mother Mary to now evoke within the consciousness of thy self, the understanding which is Hers and lead thee into the full acceptance of perfection which you truly are. Truly thou art in Me as I am in thee, Thy Father-Mother God, now revealed in shining glory.

HEALING CONTEMPLATION

The Divine Concept of The Christ Consciousness is now mine, and I am one with my Christ Reality, in Beloved Mother Mary's Sweet Name.

The Perfection of the Divine Concept is now and forever active in my Consciousness and the mortal mind has no more power to dim my vision or delay my victorious accomplishments in God's Kingdom and in His Holy Name.

The Healing Chalice welcomes your requests for its prayer and assistance, P. O. Box 297, Halesite, N. Y.

to hear the signal of the Master, His Word and His Message, and also to hear the call of your fellowman; your hands to bless, to be a grasp of friendship, a pat on the shoulder, a helping hand through which your life may make it easier for another; your feet consecrated to carry your body forward to render service to life; and your whole vehicle an instrument through which God may further Himself.

upon thee now, I behold only thy Light and that beauty which is truly there. It is clouded over by the effluvia of the tears and tribulations of the mortal self, but shining dimly through the veil that

This is the service of consecration which We performed in the Temple every day from the time I was three years of age, when Anne and Joachim took Me and left Me with those who were to guide My Spiritual training until I became ready to enter the greater service with Joseph. I cannot ask that you consecrate your life—but I can hope that you will.

IMPORTANT NOTICE

To Our Gentle Readers:

Because of the ever-increasing interest of our readers in the Transmission Flame Classes which were instituted at the suggestion of our Beloved Lord Maha Chohan, We shall print the information necessary to participate in these classes through the monthly publication of "The Bridge to Freedom," beginning with the April, 1954, issue.

It is emphasized, however, that the greatest service and consequent blessing to the individual and to the race is effected by participation through a group activity in a local Sanctuary or, if such an Ascended Master Focus is not yet established in your locality, through cooperation with other students of like interest who wish to join together periodically and rhythmically to render such service.

We have prepared for the assistance of the students interested in participating in the Transmission Flame Classes each month a book containing the history of the founding and development of this Activity, a revised outline with instructions in the suggested activities of the service, a list of Ascended Master Sponsors for the various world zones in which students abide, a time chart, breathing instructions, etc. There are also included letters from The Masters commenting upon the efficacy of the classes, the results obtained, instructions for improving the reception and transmission, and generally the necessary material required in order to intelligently participate in such a blessed endeavor. This book may be ordered from The Bulletin, P. O. BOX 297, Halesite, New York, $2.00 a copy. Advance orders are now being taken.

Your Editor,

Thomas Printz.

selves, watch your senses for they will report to you again, again and again that which is not true. In all the dignity of your being remember Me, and say "NO, IT IS NOT TRUE! I will not accept that the God who made me and has sustained me through the ages has designed me so!" At first it will require repeated endeavor, but if you will persist, you will begin to get a joyous realization in your feelings of your Christ Self.

For one year now, My children, you have "prattled" (excuse Me) about the Holy Christ Selves of all mankind. I want you now to think, "What is this Holy Christ Self to me?" I want you to think of Its face, Its eyes, Its shining hair, Its beautiful hands and symmetry of form, Its nature. I want you to ponder upon It and contemplate It. If you will ask Gabriel, Serapis, Myself, and those of Us Who work in the Fourth Sphere and with this Holy Christ Self, to help you, We will do so. Then can you not play with the externalization of It, even if your feelings don't follow it fully at first? Can you not practice the imitation of the Christ, until you become It? Can you not walk in the dignity that you feel that Jesus, or perhaps Myself manifested, in the serenity, in the confidence, in the Power of the Lord? Do you see? It is practical!

Nineteen fifty-four is going to prove you emotionally, prove you in spirit. I am endeavoring with My Beloved Brother Morya, to bring action into the feelings of the students. I am endeavoring to do so kindly, gently. He will do so, I am sure, with more Fire, but with no more sincerity or love.

I give to you now the remembrance of My Initiation. I give you the joy of My Victory. I give you the momentum of My centuries of devotion, dedication, loyalty and consecration to the externalization of the God Image for Myself and every man and woman and child on the planet. Will you accept it?

Kwan Yin and Myself are dedicated to holding that Concept, particularly for the women of the race who are called the "social outcasts," who have broken the moral code, and who have seemingly lost the diginity which the feminine aspect of life should externalize. We spend an hour every day holding that Divine Picture of the Christ Self over every one of those women! Can you not do as much for them and for yourselves?

OH, WORKING WITH THE DIVINE IMAGE IS SUCH A HAPPY EXPERIENCE! Working with your own is a joy, but I want you to have Our FEELING in working with the Divine Image of others.

I thank you for your presence. I thank you for drawing all of Us (Ladies of Heaven) into your atmosphere, and I trust that perhaps in some simple measure I have given you the homely story behind the Nativity. Thank you.

Excerpts of an Address by

BELOVED MARY, MOTHER OF JESUS

The Feast of the Immaculate Conception

December 1953

Beloved children, beloved friends, speaking to you brings to My mind and heart memories of a very sweet association which we shared in forming a Spiritual canopy for the life experience and flowering of a soul and spirit, the fragrance and perfume of Whose Being still forms the hope for millions—He Whom the world has called Jesus, and Whom I call yet "My Son."

I would like to bring to your remembrance a little something of Our application, in order that you may understand that all service to life is a discipline, a self-denial, an application and a consecration of one's own energies and the vehicles and instruments through which the soul seeks expression. It is not merely happenstance which places in the role of protectors and guardians of the race, certain lifestreams who are destined to remain in the memory and in the hearts and consciousness of peoples through the ages.

Before My Son was given the opportunity to draw forth the Christ Nature and to incarnate as the Master Presence of the Christian Dispensation, many of us gathered together at Inner Levels and, seated around the table with the Beloved Lord Maitreya, We were shown how the consciousness and life of some son or daughter of Heaven could be woven into a mastery over form, substance and appearance. There were many brave and brilliant spirits who stood forth and asked Lord Maitreya for that opportunity, but My Beloved Jesus was the One Who was accorded the honor. Then there were chosen from the volunteers those who would accompany Him, and be the strength of His endeavor. I was given the opportunity to come and prepare a place for Him through the manifestation of a physical garment fitting for such a God-being to wear.

You do not, perhaps, understand fully what it is to receive into your consciousness a Divine Image, in all the full freedom of the Inner Spheres, to see a Being Who is the exact manifestation of The Father in grace, in dignity, in love; then to submit to the bands of forgetfulness, to take incarnation, and to live among the world of form where there is little to remind you of that perfection. You hope that at the Cosmic moment when you will be called upon to renew your vow and manifest it, that you will have held your consciousness free enough from the impregnation of the appearance world with its distortions, so that you might draw the actual substance of this realm, and manifest a temple, perfect, pure and beautiful enough to house the Son of God.

I had been trained in the Nature Temples for many centuries, in the drawing of elemental life, in the creating of flower forms, and in forming intricate designs of trees and birds. I was well along on the path of Mastery towards holding the form against the disintegrating radiation which like the wind despoils that form, unless will and strength and love encompass it around. Even with this momentum of accomplishment, I asked for greater assistance, and then it was that the Beloved Gabriel, the Archangel, promised that He would come and bring to My outer consciousness a remembrance of the full grown figure of the Master, in order that I might hold that through the nine months required to bring that form into the world.

Do you wonder that I love Him, and your Beloved Saint Germain? He also offered to give the strength and power of His momentum of gathered concentrated energy, and as Joseph He gave Me not only protection but the stimulus of inspiration in My service. So I was enabled to bring forth the vehicle for the Master, and My work was then only well begun.

All during the course of His incarnation—constantly were projections directed toward Us to destroy Our Faith, and to destroy the picture which We had drawn of the God Image. It was required of Us in the small hours of the night, after the world had retired, to recreate that Divine Image and hold it—pure and perfect—in order that the fullest manifestation of the God Power through Jesus might bless the race.

I tell you this for one reason alone—that is, because you, each one, have an opportunity to receive into your own consciousness the Divine Pattern of your own Christ Self—that Image which was made in the beginning by the great Eternal Father of Life and His Beautiful Complement, your own Eternal Mother. This Electronic Body is fashioned out of fire, eyes as brilliant as stars, hair filled with sunshine, the entire form manifesting the perfection and symmetry of Universal Beauty, and within the heart the pulsebeat containing within itself all the Power of Creation—*that* is the REAL YOU. You have forgotten that Image, you have forgotten that Pattern. The forms you wear today, the limitations in which you find yourself, are manifest proof to Life that you no longer hold within your concept and consciousness, the Immaculate Form created from the Heart of the Father.

When the Beloved Serapis endeavored to secure a dispensation to allow certain members of the race to become the Christ, I vowed within Myself that if given the opportunity, I would bring to the remembrance of man the power to hold the Divine Concept. Then looking upon It, training the thought to accept It, training the feelings to rejoice in the freedom and perfection which It is—each man can externalize It.

I do not speak from afar off. I do not speak from a star or sun. I speak as a woman, who wore a body like your own; who knew privation and want; who felt the fear and uncertainty of having the One She loved most walk forth each day—in the knowledge that before Him lay a trial, the like of which none of you nor your loved ones will ever be called upon to pass through. I knew the way My Son must walk. I heard the sound of the nails within His hands and feet. I saw the water and the blood gush forth from His side—not once, but all the thirty-three long years of His Blessed Life. Yet despite that, I was required to hold the concept of the Master Form—victorious, triumphant over death!

I was required to Mother every lifestream that He brought home—the disciples, the apostles, the homeless, the unwanted. I was required to maintain that peace, to hold that serenity which gave confidence to those who wished to believe, but who at the slightest tremor of uncertainty, would rush back again into the security and sanctity, so-called, of the orthodox temples.

So when I speak to men I speak as one who knows that by trust and faith and confidence in God, the God Image CAN be externalized if you are constant. I saw a Being I loved more than life, rise from death Triumphant, and ascend in the presence of hundreds of individuals, into His God Estate. This *you* can do, for yourselves, for your loved ones, for your fellow servers, and for the race. It is all a matter of how much you love God. It is a loyalty either to Divinity, which has waited for millions of years to externalize Itself through you and your families and those in your environment—or it is a loyalty to appearances.

I am desirous, through those individuals who are willing at least to experiment with the endeavor, to direct into your consciousness, as Gabriel did for Me, the Divine Concept of yourself. I am asking that daily, before you start on the course of your outer living, you think for a moment of God's intent for you. It is surely not of a decaying form, a limited consciousness subject to every passing feeling and thought. Certainly the God that made you desired perfection for you and through you, and this is the IMMACULATE GOD CONCEPT. If you can FEEL this, beloved friends, you can externalize it, for yourself first, and then in your dealings with others help them also, for there are many types of individuals that you contact along Life's way—in your family life, your business life, or your great Cosmic service. They are no different from the types of individuals with whom I lived and with whom We walked.

And may I say We had one room, *one small room* in a humble cottage in which to live—for thirteen men and Myself. So I know what it is to brush shoulders with individuals!
